Bridge repairs, lane closures on I-290/Illinois 53 over I-90

CHICAGO – The Illinois Department of Transportation announced that lane closures will take place this week on southbound Interstate 290/Illinois 53 between Illinois 72 (Higgins Road) and Interstate 90 (Jane Addams Tollway). The lane closures are necessary for bridge repairs along southbound I-290/Illinois 53.

In order to complete the project, southbound I-290/Illinois 53 will be reduced to two express lanes and one local lane through the work zone by Friday, Aug. 10. The project is expected to be completed in late fall.

The improvements consist of bridge repairs on southbound Illinois 53 over Interstate 90, Illinois 58 (Golf Road), Woodfield Road and Higgins Road in Schaumburg and Rolling Meadows.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
